

Stanly County Emergency Services is accepting applications for full-time EMT-Paramedic positions.

Stanly County Emergency Services provides advanced care to the citizens and visitors of Stanly County. **Our service works a 24/48 hr schedule and is currently migrating to a 24/72 hour schedule which will provide you with an excellent work/life balance.**

Our approximately 400 sq. mile service area is bordered by Badin Lake and Lake Tillery with an estimated population of 60,000. Responding to approximately 8,800 calls per year, Stanly County Emergency Services utilizes aggressive protocols and top of the line equipment to include: RSI, 12 lead EKG, CPAP, Capnography, LP 15, and EZ IO. We also completed a full ambulance fleet replacement in the first quarter of 2016.

Stanly County Emergency Services offers a tiered pay plan allowing advancement into higher pay grades.

Requirements:

Graduation from high school or GED. Must possess and maintain a valid NC driver's license and currently be credentialed by NCOEMS as an EMT-P. All Paramedics must be current in BLS, ACLS, BTLS and PALS. All applicants must pass a physical, physical agility test and pre-employment drug screening.

Salary:

Range: \$32,816-\$40,000 DOQ
